

Orienteering Course at Yorba Regional Park

The park is located at 7600 East LaPalma Ave, Anaheim CA 92807. The park website is <http://ocparks.com/parks/yorba>. The orienteering course starts near the flagpole located on the West side of the park near the Anaheim Softball fields. Download the park map and print it out for the course.

Near the base of the Flagpole you will find a marker similar to the one pictured below. It will have the letter "A" in the middle of it. This is your starting point. To measure your pace take a heading of 243 degrees and walk toward the next marker. It will have the Letter "B" in it. This distance is 100 feet. Using your pace count and the 100 foot distance you can calculate your feet per pace.

Pace Check	From Marker	To Marker	Heading	Distance in feet
Steps/100	A	B	243	100

From Marker	To Marker	Heading	Distance in feet
A		5	636
		44	420
		20	507
		118	417
		218	411
		64	300
		68	315
		74	237
		10	120
		284	363
		344	153
		242	645
		200	507
		224	420
		185	636

Total Distance 6087 feet
